Kusuma is a sustainable craft lab by **Diah Kusumawardhani**. Experimenting natural dying with organic kitchen waste on textile with project titled #IWearYourWaste. Research material range currently on fruit skin waste, Indonesian local spices, and fabric itself. Kusuma also shared knowledge in various workshops to spread awareness on DIY fashion and environmental- friendly ways of making crafts.

This identity logo represents the personal touch of art by Diah, the maker, showing the DIY (Do It Yourself) and 'made by hand with care' spirit in the visual. This identity embraces sustainability by a seamless pattern of traditional-contemporary feeling of Indonesian culture. Combining the neutral color and earthy-tone to make it tender-hearted and grounded but still exclusive as a dynamic growing brand.
